(PTY) LTD

SEMBREL (Pty) Ltd
COMPANY PROFILE

"Innovative Solutions, Lasting Impact."

September 2024

SEMBREL

SEMBREL (Pty) Ltd is a leading multi-disciplinary company committed to delivering landmark projects with a blend of African heritage and a South African identity. Founded in 2013, SEMBREL addresses the need for high standards and compliance in construction and maintenance.

Mission

Our mission is to provide exceptional services and distribution through excellence, innovation, and world-class practices. We aim to build lasting client relationships and deliver superior service through advanced technology.

Vision

To be the industry's preferred choice, setting new standards through excellence and efficiency. We strive to exceed client expectations in building projects, graphic design, printing, and supply solutions.

Core Values

- Safety: Prioritizing the safety of all stakeholders.
- Accountability: Taking full responsibility for our actions.
- Integrity: Upholding the highest ethical standards.
- Client Satisfaction: Exceeding client expectations consistently.
- Employee Fulfilment: Fostering a rewarding work environment.

SEMBREL

Ownership & Management

SEMBREL is a Level 1 B-BBEE contributor with a 135% procurement recognition level. The company is managed by a dynamic team led by Managing Director Mrs. Judy Monkhe.

Strategic Intent

Our strategic intent is to forge long-term relationships with clients, suppliers, and partners by enhancing leadership, best practices, and revenue management. We are equipped with advanced machinery and resources to ensure professional service and client satisfaction.

Company Principles

- Good Corporate Governance: Adhering to high governance standards.
- In-house Expertise: Leveraging internal skills and capabilities.
- Outsourced Expertise: Utilizing specialized services as needed.
- Accountability: Providing value through diligent supervision and management

Resources

Our facilities include well-furnished offices with advanced technology, conferencing and catering facilities, and a fleet of vehicles. We are equipped with the latest construction machinery and office equipment to support project needs.

Conclusion

SEMBREL is dedicated to exceeding client expectations with a solution-oriented approach. Our experienced team is well-equipped to deliver high-quality services across various sectors.

Construction and Maintenance

- General Building, Renovations, and Maintenance
- Comprehensive building services, including new constructions, renovations, and ongoing maintenance, ensuring the longevity and functionality of properties.
- Bricklaying
- Precision bricklaying for structural walls and decorative masonry, meeting high standards for durability and aesthetic appeal.
- Steelworks
- Fabrication, installation, and maintenance of steel structures, catering to industrial and commercial needs with rigorous safety and quality standards.
- Underground Pipes
- Installation, repair, and maintenance of underground piping systems, including water, sewage, and drainage solutions, ensuring efficient and safe operation.
- Plumbing, Painting, and Tiling
- Interior and exterior solutions for residential, commercial, and industrial properties, providing high-quality workmanship and attention to detail.

Specialized Services

- Road Markings and Maintenance
- Road marking services, including line painting and traffic signs, and maintenance to ensure road safety and regulatory compliance.
- Transportation (Tankers and Trucks)
- Reliable transportation services with a fleet of tankers and trucks for liquid and goods delivery, maintained to high standards for safety and timeliness.
- Plant Hire
- Equipment and machinery rental for construction, landscaping, and industrial needs, ensuring access to well-maintained and efficient tools.
- Gardening Services, Tools, and Landscaping
- Comprehensive gardening services including landscape design, maintenance, and the supply of gardening tools, enhancing outdoor spaces.
- Signage
- Custom signage design, manufacture, and installation for high visibility and brand alignment, using durable materials for various environmental conditions.

Supplies and Equipment

- Supply of Construction Materials
- Provision of essential construction materials, including cement, bricks, and steel, meeting industry standards and delivered on time.
- General and Furniture Supplies
- Supply of general items and high-quality furniture for offices, homes, and commercial spaces, ensuring durability and aesthetic appeal.
- Production and Printing (Uniform & Digital)
- Production and printing services for uniforms and digital materials, using advanced technology for high-quality outputs.

Brand and Marketing Services

- Brand Marketing and Advertising
- Strategic brand marketing and advertising services to promote products and services through various channels for maximum impact.
- Promotional Merchandise
- Customized promotional items to support branding and marketing efforts, tailored to specific needs and high-quality standards.
- Brand Promotion
- Services to enhance market presence through targeted strategies and creative campaigns, focusing on building strong brand recognition.
- Graphic Design
- Professional graphic design services to create visually compelling materials that effectively communicate brand messages.

Catering Services

- Catering for events, corporate functions, and daily needs, offering a variety of menu options tailored to client preferences and dietary requirements.
